

LINCOLNS – A GREAT PLACE TO WORK

FLEXIBILITY

We understand that people have a life outside of work and that things like attending your children's school assembly and caring for family are important. We provide the flexibility to be able to live your life.

SUBSIDISED GYM MEMBERSHIPS

With the importance of maintaining fitness for the physical and mental benefits, we offer subsidised gym memberships at the local BodyCare Health Club.

TRAINING AND DEVELOPMENT

Professional Development sessions (with lunch provided) are held every fortnight for our Accountants. Keep your knowledge and your CPD points up to date with our comprehensive programme. In addition, we engage Tax Banter every year to deliver a half-day targeted tax session. Our admin team join PD for regular "people skills" sessions.

COUNSELLING SUPPORT

Lincolns cares about the mental health of the team and we provide counselling to team members in times of need.

FLU VACCINATIONS

We dislike getting the flu as much as you do. To help our team ward off the flu, a free annual flu vaccination is available to anyone in the team who wishes to take this up.

WELL DAYS

We offer each team member 3 'well days' a year. These can be utilised at any time and they promote mental health amongst the team.

STUDY SUPPORT

Thinking about or studying for your CPA or CA or getting an accounting degree? Our study support programme covers the cost of CPA and CA units and provides time off work for study.

FUNCTIONS

We love to celebrate birthdays and career milestones. We also celebrate Christmas, the Melbourne Cup and the end of financial year by holding special events for the team.

FRUIT

Help yourself to our fruit bowl at no cost. This is another way we help our team stay healthy.

CAREER DEVELOPMENT

If you want to advance your career, you will have the opportunity to really get involved with your clients. You will have regular access to Partners and Managers for coaching and mentoring to enable you to learn on the job.

YOGA CLASSES

Get your Zen when we turn our boardroom into a yoga studio for a yoga session with our own yoga instructor.

SOCIAL CLUB

Lincolns is well known for its active social club. For \$2 a week, you can enjoy socialising with your team mates and their families throughout the year.

REFRESHMENTS

Make yourself a coffee from our coffee machine or grab a glass of fresh filtered water – available whenever you need refreshing.
